Road of Progress

Road of Progress began in the year 1885 when New Haven's educational program began to roll along toward new heights. It was in that year that the old New Haven school building was established on Middle Street. As the years rolled along a greater number of pupils enrolled in the school and conditions became so crowded that a new building was demanded.

Progress again showed up for the new building was completed in 1923. As the future unfolds the scrolls of time, we see the beautifully constructed two-story grade school building to be completed for the beginning of the term 1949.

New Haven High School has also added an athletic field which will enable the students to participate in such activities as football, baseball and track.

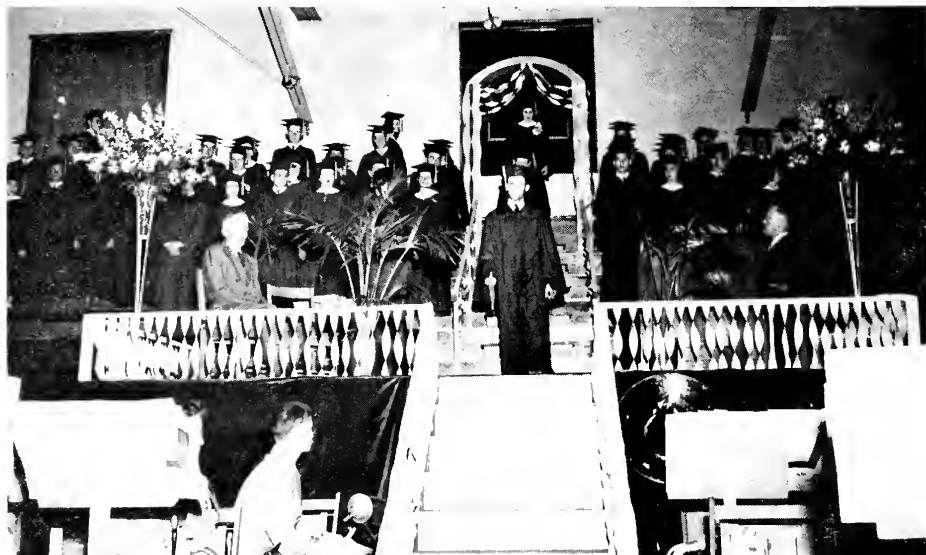

Treasured Events

The school year has been full of interesting events such as the Turkey Trot, sponsored by the Concert Band. This dance was a sock dance, the first of its kind at our school. A raffle was held for a live turkey. Marilyn Koester seemed to have all the luck that evening and went home with 12 pounds of "gobble-gobble".

Last year in May the Class of 1948 left their home and went out into the world to make their way. Although they were missed by many, we knew they must leave to make room for the class of 1949.

The Junior and Senior Prom was one of the finest that New Haven has ever had. Ruth Wiese was elected Prom Queen, and Kieth Emenhiser was elected Prom King. The junior attendants were Rhea Harvey, Thelma Voors, R. D. Thimlar, and Marvin Meyer. The senior attendants were Doris Meyers, Delores Schnoor, George Brueggemann, and Richard Schrader. Jack Gladieux and Mary Koester were the 1947 King and Queen.

New Haven's varsity basketball team did a fine job this year. This picture was taken during the game between Monroeville and New Haven. It seems that Coach Paul Armstrong, Norman Ellenberger, Bob Claus, Don Weinman and Marvin Meyer are on the lookout for their lost player.

The photos to the left represent some of the outstanding events of the school year. Beginning at the top we see Mr. and Mrs. Earl Marshall, Kieth Emenhiser, Ruth Wiese, and Mr. and Mrs. David Potts. This picture represents the Junior and Senior Prom, reigned over by King Kieth and Queen Ruth.

The next photo as you look down the page is that of the Turkey Trot, sponsored by the New Haven High School Band.

The bottom photo pictures the Graduates of 1948, the products of a successful year with the help of the faculty.

Mr. and Mrs. John Young are the mainstays of our school system. Through their tireless efforts our school is one of the most efficient high schools in Allen County.

Mr. Young has been principal since 1939, except the years he was with the U. S. Navy. To him, with the help of the faculty, goes the acknowledgment that we are better equipped to face college and the unknown future which lies ahead of us.

Mrs. Young, our willing and capable secretary, came to the offices of our school in 1944. She never seems to grow tired of the endless questions of students and always offers a helping hand to those who need it.

The Advisory Board made up of the following: Lloyd N. David; Lee H. Burgette, Trustee; Irvin J. Bandelier; and John L. Van Kirk guides the financial destiny of our school.

Our Goal - Gold

One hundred and twelve new faces appeared in the corridors of the New Haven High School in the fall of 1945. Green, timid freshmen, as the saying goes, described us very well. Our first year was full of parties, sports, and getting into the wrong classrooms. Mr. Earl Marshall and Miss Evelyn Knull, now Mrs. Konklin, were our sponsors. In May we became sophomores.

Ninety-two sophomores greeted each other once again in the autumn of 1946. We also welcomed a new sponsor, Miss Marge Eichel, now Mrs. David Potts, who took Miss Knull's place. One of the outstanding events of the year was the class tourney. We all converted ourselves into Gypsies and took first place. In May we were promoted, yes, once again, but this time to juniors.

There were seventy-two left in our junior year. This was the year to which we were all looking forward. The junior girls were the "champs" in basketball while the boys were the runners-up in their tourney. We had our first experiences in operating the canteen that year. We worked very hard in the canteen because we wanted to put on the best Prom that the high school had ever had. High honors were given to Ruth Wiese, Prom Queen; Kieth Emenhiser, Prom King; Rhea Harvey, Thelma Voors, R. D. Thimlar, and Marvin Meyer were their attendants. Nine juniors, Ervin Kleber, Theodore Black, Thelma Parker, Donna Ballinger, Wanda White, Lois Rosswurm, Ruth Wiese, and Mary Ann Bremer, were taken into the National Honor Society in April. We then turned our thoughts toward being seniors.

In the fall of 1948 sixty-five seniors remained to take the last few steps of our high school education together. Waunita Davis was taken into the National Honor Society. We won the honor of selling the most season basketball tickets. Once again the girls retained their championship in the class tournament. We also sponsored the St. Valentine's Dance in February. During this year of school, Ruth Wiese and Kieth Emenhiser rendered their thrones to the junior king and queen. Janet Hockemeyer, Bonnie Stoneburner, Ervin Kleber, and Eugene Meyer were given the honor of attending the king's and queen's court of 1949. We have now taken our last steps together as the senior class of '49 and are going out into the world to make new friends. No, we shall never forget our classmates, and our wonderful sponsors, Mrs. Potts and Mr. Marshall, who perhaps, were the only ones to understand some of the things we have done.

Onlookers

The juniors sponsored by Mr. Frock and Miss Bower, elected Don Meyer, president; Nancy Van Kirk, vice-president; Marilyn Koester, secretary; Robert Claus, treasurer; and Nancy Fultz, canteen manager.

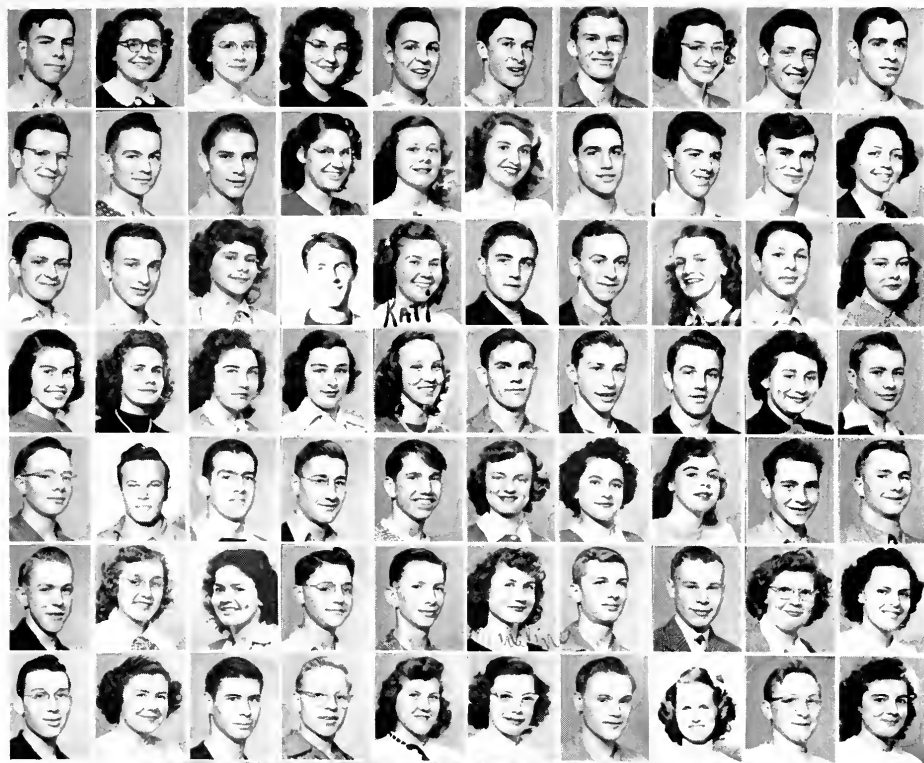

Under the leadership of these capable officers, we have carried out an active program. First there was the October party at Delaine Koester's home, (this was really two parties in one), then came the Class Tourney in March where the juniors won the Boys' Championship and second prize for decorations as Dog-patchers.

Yvonne DeLeon was elected queen for the Spring Prom with Vera Butt and Marilyn Koester as attendants. Norman Ellenberger and Stephen Bruder were elected attendants for the king, Robert Claus. The various committees did very efficient work—the decorations, lights, music and refreshments made a very delightful evening.

Our class is well represented by eight members in National Honor Society, six members in Masque and Gavel and many outstanding members in athletics.

This space is dedicated to the memory of our classmate, Mervin Baker, President of Home Room 4, and our tall basketball center, who was taken from the junior class October 3, 1948.

The freshmen were represented in basketball by Charles Gladieux, Charles Roemer, Dale Miller, James Cook and Jack Whitacre. There were many who participated in football.

The Class of '52 also won honors by intelligence. Honor roll and honorable mention were no strangers to many freshmen during the year.

The Scheme - 49'ers

It's our tenth anniversary—ten years of progress and co-operation. The first *Mirage*, published in 1939 by our substitute teacher, Mrs. Meyers, was a paper cover, with few pictures, and mimeographed literary work. From the result of improved machinery and ambitious staff members, we have marched a long way to attain the present *Mirage*.

The co-editors, Barbara Bell and Lucille Doctor, with the help of the assistant editor, Nancy Fultz, have spent much time supervising the book. Wanda White, Robert Locke, and Joe Kilpatrick made it possible to exceed our advertisement goal. The subscription drive was also successfully completed by our subscription managers, Marguerite Hamman and Joe Kilpatrick.

Other positions were filled as follows: business manager, Waunita Davis; school life, Jerry Kost and Ted Black; organizations, Margaret Albersmeyer and Don Jackson; literary and copy editors, Nancy Bewley and Donna Ballinger; senior editor, Bonnie Stoneburner; junior editor, Vera Butt; sophomore editor, Martha Wiedemann; freshman editor, Nancy Davidson; sports, Kieth Emenhiser and Lois Rosswurm; photographers, Terry Smith, Kenneth Renno, Don Putt, and Ervin Kleber.

Student Council

The Student Council became affiliated with the National Association of Student Councils in October, 1945. It was organized to promote school activities, to develop a respect for school property, to provide for the general welfare of the student body, to make the school a happy place for mental, moral, and physical development, and to aid the administration in furthering its policies for the betterment of the school.

The council is made up of one representative from each home room and the president and vice-president of each class. All council members must maintain a "C" average and have no failures. Members are elected not later than the fourth week in September and serve for a period of thirty-six weeks.

The activities of the year included the revision of the "Student Handbook," the conducting of the election for cheer leaders, the arrangements for the Thanksgiving Convocation, and the sponsorship of the "Snowball Hop."

The Student Council, under the able supervision of their new sponsor, Miss Rowena Walker, was under the leadership of the following officers: president, Wanda White; vice-president, Don Meyer; secretary, James Blaising; treasurer, Stephen Bruder; and program chairman, Carolee Schnelker.

Theta Rho Chapter *F. T. A.*

The newest organization in the New Haven High School, the Theta Rho Chapter of the Future Teachers of America, was organized on December 1, 1948, by four seniors, Gene Critchfield, Carol Glaze, Jacquelyn Richhart, and Wanda White, who wish to enter the teaching profession.

The F.T.A., sponsored by Mr. Myron Henderson, intends to learn the opportunities of teaching, to learn the character qualities essential to teachers, to study the lives of great teachers, and to foster the development of student leadership.

The officers of this new organization are: Wanda J. White, president; Gene Critchfield, vice-president; Jacquelyn Richhart, secretary; Marceil Vodde, treasurer; Robert Whitacre, historian.

Librarians

Signing out books, dusting books, and keeping them in order are some of the many duties of the librarians. The librarians also help students to find information.

The student librarians may work at the desk only, or if they have a "B" average and are approved by the principal, they may take the library course for credit.

Masque and Gavel

The Masque and Gavel Society was granted a charter in 1941 and ever since it has been striving to recognize, promote and assist the student in raising his standards of speech in any area of speech in the high school or community.

Activities of the year included the appearance of Wanda White, Ervin Kleber, Don Putt, Gene Critchfield, and Bob Whitacre on the City Desk Radio program, two initiation ceremonies, a Christmas potluck dinner party and a comic gift exchange, a play for P.T.A., several speech contests and various activity programs.

Gleam Like Gold

The Sunshiners are kept busy with their many activities such as Tag Day, "dinky formal" party, conventions, a Christmas party for underprivileged children, a Christmas dinner party, and the tea for their "Ideal" Ladies.

The object of the society is to scatter seeds of kindness among the old, the sick, and the needy, and to weave a golden thread of gladness through the everyday lives of all.

The officers of the year were: Ruth Wiese, president; Vera Butt, vice-president; Martha Wiedemann, secretary; Lois Chambers, publicity chairman. The organization is under the auspices of Miss Walker and Miss Royster.

The Songsters

In 1940 a chorus was organized at N.H.S.S. to teach the fundamentals of good tone production, to develop the ability to read music at sight, and to build an organization which can give public performances of good music.

The Chorus, sponsored by Mr. Bernard Pressler, has grown to be one of the most prominent organizations in the school.

Our Aim - The Screen

To project pictures is the aim of every qualified member of the Projectionist Club. This club was organized in 1946 by Mrs. Della Redman. Films ordered through Miss Helen Augspurger serve both as part of the classroom work and pure entertainment.

The Projectionists are serving the school almost constantly in showing films to groups and classes. They maintain no officers as this organization is purely a service group.

Music Makers

From the time school starts in September until Commencement night in May our band is a very busy organization. Both the marching and the concert bands have won many honors during the year. Last spring on April 3, our concert band went to Hartford City to participate in the district band contest and won a first rating. Just a week later they came home from the state contest at North Manchester with another first to their credit. We are expecting them to do as well this year.

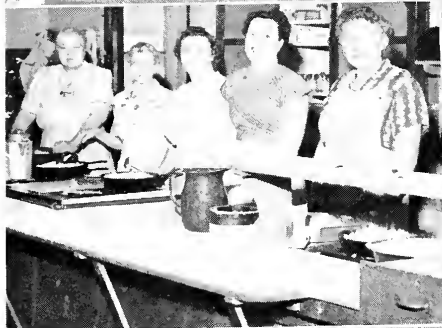

During the fall the marching band was particularly busy. They marched at many of our football games both at home and away. On October 31, they made a creditable showing in the state marching contest at Columbia City. They hurried home from that event to lead the parade for the New Haven Halloween Festival. On November 11, in Fort Wayne, they won second place in the Armistice Day Parade and later made a good appearance in the Balloon Parade which opened the Christmas shopping season. Probably the outstanding event for the marching band was their trip to Indianapolis where they represented the Fort Wayne district of the Knights of Pythias in an all-state conclave.

The winter activities included many appearances at basketball games, assemblies, and pep sessions. On February 12, the band played host to the other county bands at the Allen County Band Festival. A week later twenty-three members took part in the district solo and ensemble contest at Harrison Hill School in Fort Wayne. Out of seventeen events entered, Ney Haven won eleven superior and four excellent ratings. Nancy Van Kirk on the piano, Bill Critchfield on both the baritone and the trombone, Bob Whitacre and Joe Kilpatrick on the tuba, and Terry Smith on the snare drum, all won first ratings in their solos. Ensembles which won superior ratings were as follows: Bill Critchfield and Bob Whitacre in a baritone and tuba duet; Nancy Van Kirk, Barbara Anderson, Bill Critchfield, and Dick Hamman in a trombone quartet; Terry Smith, Ted Black, Don Whitacre, and John Norton in a drum quartet; Mary Miller, Stanley Girardot, Marilyn, Gephart, Dick Hamman, Bob Rudolph and Joe Kilpatrick in a brass sextet.

To round out their activities three public concerts are given during the school year.

SPORTS

Our Coaches

Our hats are off to the Armstrong brothers, Paul and Scott, who have led our football and basketball teams through a successful season. Both men are graduates of Butler University, where they were active in all sports. After college, Scott played professional basketball with the Oshkosh All Stars. Scott, after leaving Oshkosh, went to Alexandria, where he was coach from 1947 to 1948. Paul served in the U. S. Navy. After his discharge in 1946, he became head coach of Albany High School. Paul, a graduate of New Haven High School, returned in September to take over the athletic department with the help of Scott.

Football

The football team had a hard fought season and came out on the short end of its games in very rugged competition.

Coaches Paul and Scott Armstrong's charges are eagerly awaiting the fifth and coming season which they hope will prove to be more prosperous with the new home field.

Hardwood Leaders

Our Bulldogs, coached by Paul and Scott Armstrong, came through with another good basketball season. These aggressive boys left their mark on many a team, and also left behind them a very impressive list of victories. The purple and gold wound up their season with ten wins and twelve defeats.

In the New Year's Day Tournament the Bulldogs won their initial game over Bluffton by a score of 39 to 31, but were defeated in the finals 39 to 37 by Decatur.

In the Sectional Tournament the boys defeated Fort Wayne Concordia in a close game in the morning only to be set back by the powerful Monroeville Cubs.

Two of the New Haven five were among the top scorers of the NEIC. These boys were Norman Ellenberger and Marvin Meyer.

Howling For Us

Making its debut at the beginning of the 1948 and 1949 basketball season, the Barking Bulldogs (pictured on opposite page) sat in a section at all athletic contests to promote sportsmanship, better backing, and help to lead the yells of the cheer leaders.

The Barking Bulldogs have added more color to our athletic contests and have proved themselves worthy during the organization's brief existence.
